Deepdive in change frameworks

CHANGE

Each content can be adapted according to your needs.

PEDAGOGICAL OBJECTIVES

- Bring awareness around 7 change frameworks
- Have an overview of the assets linked to the models
- Understanding the benefits of each framework
- Learn from use cases

TOPICS COVERED

An overview of the 7 models: Kotter, Lewin, Prosci ADKAR®, Ajzen, Six Batteries, Systemic Transition Management, and #WeChange. It creates awareness around the framework itself, when it's best suited, and to define decisions and next steps for your own initiative.

1. **Context**

Why use frameworks? When to use which framework?

2. **Model's overview**

Model presentation Structure, terminology, and principles

3. **Model's assets**

Discovering and understanding the different types of assets and their good usage

4. **Start your journey**

What is the framework best suited for the change initiative at your organization

Recommended duration
1 day

Prerequisite
Managers facing change resistance
